EIEL's reported mixed performance in Q3FY26, wherein revenue remained muted while EBITDA/PAT witnessed a strong double digit growth, with YoY Margin Improvement. Net revenue stood at Rs2.5bn, ~1.0% YoY/+10.0% QoQ, indicating a sequential recovery after a softer Q2 but fall short of consensus. However, EBITDA at Rs677mn grew 25.6% YoY/4.3% QoQ, EBITDA margin moderated slightly to 27.1% but remains structurally strong and above FY25 margin levels. PAT remained healthy with +14.7% YoY to Rs421mn, supported by strong operating profitability and higher other income (58.4% YoY). EPC remains the core revenue contributor (~88% of total). O&M continues to provide margin stability and cash flow support with steady annuity income. In renewables, started in this year, the company clocked Rs98 mn in Q3FY26 (Rs120-130mn in 9MFY26) but remained confident to achieve Rs2 bn revenue in FY26 and Rs4-5 bn in FY27. Closing order book stood at Rs30.9bn, offering 3x TTM revenue visibility. We largely keep our estimates unchanged and forecast strong 32%/30%/32% CAGR in revenue/EBITDA/PAT, respectively, over FY25-FY28E and expect RoE/RoCE to improve to 21%/25% in FY28E vs 17.8%/20.9% in FY25. We value EIEL at 15x FY28E EPS and maintain BUY with an unchanged TP of Rs 346.

Execution intact while order inflows delayed; PAT guidance reiterated

EIEL reported muted revenue growth in Q3, largely due to delays in order inflows from Bihar (evaluation delays) and Delhi (rebidding). Consequently, FY26 revenue guidance revised to ~Rs13.5bn (includes RE revenue of ~Rs2bn), PAT at Rs2.3-2.5bn. EBITDA margin expanded 530bps YoY to 27.1%, aided by higher-margin wastewater projects, despite a Rs60mn ECL provision impacting PAT sequentially. Order inflows stood at ~Rs15bn YTD in FY26 (Rs2.4bn in Q3FY26) but remains confident to achieve over Rs25bn in FY26 as they are L1 in few orders. Bid pipeline is also strong at Rs50bn, entirely from wastewater/STP/CETP projects under AMRUT and Namami Gange. Management emphasized disciplined bidding to protect margins, even at the cost of lower win rates. Receivables in Jal-Jeevan Mission (JJM), including unbilled revenue, stood at ~Rs2.3bn, with collections expected over the next 6–8 months.

Guided for strong Q4; Also, lays groundwork for FY27 growth

Management has guided for a sharp Q4 ramp-up, with revenue of Rs6-6.5bn, comprising ~Rs4.5bn from the water segment and ~Rs2bn from renewables, driven by seasonality, equipment dispatches, and year-end billing. The RE business, with an order book of ~Rs2.6bn, is expected to deliver Rs2bn revenue in FY26 and scale up to Rs4-5bn in FY27E. EIEL maintained its long-term EBITDA margin guidance of 22–24% and expects ~15% PAT margin in Q4 on the guided topline. For FY27, management indicated an aspirational 35–40% consolidated growth trajectory, contingent on timely order wins and execution, with planned incremental capex of ~Rs1bn and potential term loan addition of ~Rs2.5bn

Maintain BUY, with TP of Rs 346

EIEL remains focused on profitable growth and achieving its order inflow targets from its Rs50bn bidding pipeline. The order book remains healthy at Rs19bn for EPC/Rs9.3bn for O&M. Significant revenue ramp-up to Rs6-6.5bn is guided for Q4, driven by accelerated execution in the core water segment and Rs2bn contribution from the newly diversified RE segment. We maintain our BUY rating with an unchanged TP of Rs 346 based on 15x FY28 EPS.

Investors are advised to refer disclosures made at the end of the research report.

Q3FY26 Concall Highlights:

Order Book & Inflows

- Execution order book at Rs19bn (Water & Wastewater EPC) and Rs9bn (O&M)
- Secured Rs15bn order inflows in FY26 YTD
- Robust bidding pipeline of ~Rs50bn; ~Rs20bn bids expected in February'26

Key Project Wins & Progress

- Received Rs2.5bn LoA from Bhopal Municipal Corporation for EPC + O&M sewerage project
- Continued progress on large projects including Rs3.5bn Maharashtra pollution control project
- Multiple STPs nearing completion including Varanasi (55 MLD), Jaipur (80 MLD), Sarigam (25 MLD CETP)

Execution & Operations Update

- Execution momentum improved post-monsoon with strong focus on timely completion
- Completed 100 MLD STP integrated with biogas and solar power generation
- Working capital discipline maintained with focus on cash-flow-positive projects

Technology & Sustainability Focus

- Strong capabilities in IFAS, ultrafiltration, reverse osmosis and advanced treatment systems
- Increasing focus on treated water reuse for industrial and power applications
- Integration of solar power and biogas-to-electricity across multiple projects

Renewable Energy Business

- Entered renewables under IPP and EPC models
- Renewable order book at ~Rs2.6bn
- FY26 renewable revenue guidance maintained at ~Rs2bn

Outlook & Guidance

- FY26 order inflow target of Rs25bn remains intact
- Q4 FY26 revenue expected at Rs6–6.5bn (Rs4–4.5bn) water, ~Rs2 bn renewables)
- EBITDA margin guidance maintained at 22–24%; ROE expected at ~18–19%

Capital Allocation & Balance Sheet

- Expected capex of ~Rs1bn over next phase
- Term loans of ~Rs2.5bn expected for HAM and renewable projects
- Targeting positive operating cash flow and working capital at 90–100 days

DISCLOSURES/APPENDIX

I. ANALYST CERTIFICATION

I, **Sudeep Anand, Prathmesh Kamath, Vidhi Shah;** hereby certify that (1) views expressed in this research report accurately reflect my/our personal views about any or all of the subject securities or issuers referred to in this research report, (2) no part of my/our compensation was, is, or will be directly or indirectly related to the specific recommendations or views expressed in this research report by **Systematix Shares and Stocks (India) Limited (SSSIL)** or its group/associate companies, (3) reasonable care is taken to achieve and maintain independence and objectivity in making any recommendations.

Disclosure of Interest Statement	Update
Analyst holding in the stock	No
Served as an officer, director or employee	No

I. **ISSUER SPECIFIC REGULATORY DISCLOSURES,** unless specifically mentioned in point no. 9 below:

1. The research analyst(s), SSSIL, associates or relatives do not have any financial interest in the company(ies) covered in this report.
2. The research analyst(s), SSSIL, associates or relatives collectively do not hold more than 1% of the securities of the company(ies) covered in this report as of the end of the month immediately preceding the distribution of the research report.
3. The research analyst(s), SSSIL, associates or relatives did not have any other material conflict of interest at the time of publication of this research report.
4. The research analyst, SSSIL and its associates have not received compensation for investment banking or merchant banking or brokerage services or any other products or services from the company(ies) covered in this report in the past twelve months.
5. The research analyst, SSSIL or its associates have not managed or co-managed a private or public offering of securities for the company(ies) covered in this report in the previous twelve months.
6. SSSIL or its associates have not received compensation or other benefits from the company(ies) covered in this report or from any third party in connection with this research report.
7. The research analyst has not served as an officer, director or employee of the company(ies) covered in this research report.
8. The research analyst and SSSIL have not been engaged in market making activity for the company(ies) covered in this research report.
9. Details of SSSIL, research analyst and its associates pertaining to the companies covered in this research report:

Sr. No.	Particulars	Yes / No.
1	Whether compensation was received from the company(ies) covered in the research report in the past 12 months for investment banking transaction by SSSIL.	No
2	Whether research analyst, SSSIL or its associates and relatives collectively hold more than 1% of the company(ies) covered in the research report.	No
3	Whether compensation has been received by SSSIL or its associates from the company(ies) covered in the research report.	No
4	Whether SSSIL or its affiliates have managed or co-managed a private or public offering of securities for the company(ies) covered in the research report in the previous twelve months.	No
5	Whether research analyst, SSSIL or associates have received compensation for investment banking or merchant banking or brokerage services or any other products or services from the company(ies) covered in the research report in the last twelve months.	No

10. There is no material disciplinary action taken by any regulatory authority that impacts the equity research analysis activities.

STOCK RATINGS

BUY (B): The stock's total return is expected to exceed 15% over the next 12 months.
HOLD (H): The stock's total return is expected to be within -15% to +15% over the next 12 months.
SELL (S): The stock's total return is expected to give negative returns of more than 15% over the next 12 months.
NOT RATED (NR): The analyst has no recommendation on the stock under review.

INDUSTRY VIEWS

ATTRACTIVE (AT): Fundamentals/valuations of the sector are expected to be attractive over the next 12-18 months.
NEUTRAL (NL): Fundamentals/valuations of the sector are expected to neither improve nor deteriorate over the next 12-18 months.
CAUTIOUS (CS): Fundamentals/valuations of the sector are expected to deteriorate over the next 12-18 months.

Foreign currencies denominated securities, wherever mentioned, are subject to exchange rate fluctuations which could have an adverse effect on their value or price or the income derived from them. In addition, investors in securities such as ADRs, the values of which are influenced by foreign currencies, effectively assume currency risk. SSSIL, its directors, analysts or employees do not take any responsibility, financial or otherwise, of the losses or the damages sustained due to the investments made or any action taken on the basis of this report including but not restricted to fluctuation in the prices of shares and bonds, changes in the currency rates, diminution in the NAVs, reduction in the dividend or income, etc.

SSSIL and its affiliates, officers, directors, and employees subject to the information given in the disclosures may: (a) from time to time, have long or short positions in, and buy or sell, the securities thereof, of company (ies) mentioned herein or (b) be engaged in any other transaction involving such securities and earn brokerage or other compensation (financial interest) or act as a market maker in the financial instruments of the company (ies) discussed herein or act as advisor or lender / borrower to such company (ies) or have other potential material conflict of interest with respect to any recommendation and related information and opinions. The views expressed are those of the analyst and the company may or may not subscribe to the views expressed therein.

SSSIL, its affiliates and any third party involved in, or related to, computing or compiling the information hereby expressly disclaim all warranties of originality, accuracy, completeness, merchantability or fitness for a particular purpose with respect to any of this information. Without limiting any of the foregoing, in no event shall SSSIL, any of its affiliates or any third party involved in, or related to, computing or compiling the information have any liability for any damages of any kind. The company accepts no liability whatsoever for the actions of third parties. The report may provide the addresses of, or contain hyperlinks to, websites. Except to the extent to which the report refers to website material of the company, the company has not reviewed the linked site. Accessing such website or following such link through the report or the website of the company shall be at your own risk and the company shall have no liability arising out of, or in connection with, any such referenced website.

SSSIL will not be liable for any delay or any other interruption which may occur in presenting the data due to any technical glitch to present the data. In no event shall SSSIL be liable for any damages, including without limitation, direct or indirect, special, incidental, or consequential damages, losses or expenses arising in connection with the data presented by SSSIL through this presentation.

SSSIL or any of its other group companies or associates will not be responsible for any decisions taken on the basis of this report. Investors are advised to consult their investment and tax consultants before taking any investment decisions based on this report.

Registration granted by SEBI to SSSIL and certification from NISM to the analyst in no way guarantee performance of SSSIL or to provide any assurance of returns to investors.
