Auto Volume Tracker – Mar'26

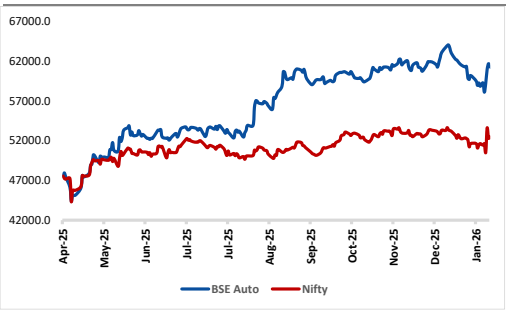
02 March 2026

Auto sector ends FY26 in fast lane; SUV Strength with EV & Export Tailwinds

SECTOR UPDATE

Industry	Autos

Nifty vs Auto index



Source: Bloomberg, Systematix Research

Domestic dispatches remained strong in Mar'26, with passenger vehicles (PVs) registering a growth of est. 15.8% YoY, and two-wheelers (2Ws) (among the reported OEMs (excl. Bajaj), posted a robust growth of ~17% YoY. 3Ws continued to exhibit strong momentum, while commercial vehicles (CVs) recorded a robust growth of ~12.7% YoY across all segments (SCVs, LCVs, MHCVs and Bus). Tractor's sales volume remained robust, registered a volume growth of 26.8% YoY for top 2 players (M&M and Escorts) led by M&M, which grew by ~33%. Healthy channel discipline, reflected in lean dealer inventories (~28 days in Feb'26), along with robust retail demand, is sustaining momentum in PV wholesale volumes, meanwhile, Two-wheeler growth is broadening and approaching pre-pandemic levels, driven by concurrent strength across domestic, export, and premium segments. CV segment continues to post healthy growth, driven by infrastructure-led demand, stable freight rates, replacement cycles, and exports, while tractor volumes are supported by robust rural sentiment and a favorable rabi outlook, albeit with cautious optimism amid unseasonal rains and snowfall. Exports continue to shine during the month across OEMs. In domestic PVs, dispatches were strong across OEMs with Tata, M&M & Toyota outperformed the peers by 28%/25%/24% YoY resp. whereas MG and Kia performed robust with 18.7%/14.1% YoY resp. Hyundai and Honda performed relatively modest, grew by 6.3%/4.9% YoY resp. Within domestic 2Ws, Honda and TVS delivered strong growth of 27.6%/25.1% YoY, respectively.

On retail registrations (Vahan), 2Ws volume grew by ~28% YoY, **PVs** grew by 22% YoY while **CV** retails saw a growth of ~14% YoY. In the month of Mar'26, Tata, Maruti, M&M & Kia are the top 4 outperformer in PVs grew by 33%/28%/24%/23% YoY resp. and Yamaha, TVS, Honda and Bajaj outperformed in 2Ws, grew by ~36%/33%/33%/26% YoY resp. **ICE penetration** stands at 63%, **CNG penetration** stands at 24%, **Hybrid** at 8% and **EVs** penetration rebound to Sep'25 levels of 5%. **E-2Ws** adoption currently at all-time high of 9.8% for the month. **EV Market Share** (in Mar'26): **E-2Ws:** TVS 25.9%, Bajaj 24%, Ather 18.7%, Hero Moto at 11.2%, Ola market share improved slightly to 5.3% recovering from a low of 3.5%. **E-PVs:** Tata Motors ~37%, JSW-MG ~23% and M&M ~23%.

Outlook: Near-term industry momentum is expected to sustain, albeit at a measured pace. Growth is likely to be supported by a confluence of favorable drivers, including improved affordability post GST 2.0 and resilient rural demand; however, we expect a transient pause following the festive and fiscal year-end sales push. Additionally, the recent escalation in geopolitical tensions has emerged as a key near-term risk. If prolonged, it could weigh on consumer sentiment, particularly for big-ticket discretionary purchases such as vehicles, while also introducing volatility in fuel prices and input costs. While planned price hikes by OEMs may exert some pressure on demand, the broader trajectory of industry growth will likely remain sensitive to the evolution of these geopolitical developments. We prefer **M&M** and **Tata Motors** in PV and **TVS** and **Eicher Motors** in 2Ws. (Note: we are Not Rated on the above stocks).

Key takeaways

- **PVs:** Domestic volume surged by est. ~15.8% YoY (8.4% YoY in FY26) to 4.47 lakh units. **Maruti's** PV volumes remained largely muted restricted by production capacity constraints, rising by 10.3% YoY to 1.66 lakhs. Compact segment saw a growth of 7.3% YoY, mini's volume was flat during period **M&M:** volume was healthy in the month with domestic PV i.e. SUV segment, grew by 25% YoY (+19% YoY in FY26). **Tata Motors** domestic volumes grew by robust 28.2% YoY, up 14.1% YoY in FY26 driven by strong performance in both ICE and EV segments. **Hyundai** volumes grew by 6.3% YoY, -2.3% on YTD basis. **Toyota** domestic sales grew by 23.8% YoY (+19% FY26), **Kia** grew by 14.1% YoY (+15.3% FY26) and **JSW MG** by 18.7% YoY (+18% FY26) in the month of Mar'26. **Honda** registered modest YoY growth of 4.9% YoY (-4.8% FY26).

- **2Ws:** Domestic volumes among the reported OEMs (Honda, RE, TVS Hero and Suzuki), grew by ~17% YoY (12.5% FY26). **Hero MotoCorp** volumes grew by modest 8.3% YoY (+8.1% YTD). Scooters' volume growth outpaced motorcycles; grew by 53.2% and 5.1% resp. (incl. exports). **TVS:** strong dispatches continue across segments with domestic 2Ws surging by 25.1% YoY to 3,72,383 units (20.6% FY26). Scooters segment grew faster by 30.9% YoY followed by Motorcycle (18.3% YoY). Mopeds saw an uptick of 30.9% YoY. **Royal Enfield's** strong domestic performance continued in Mar, with domestic 2Ws volumes up 14% YoY, while exports declined by 8% YoY. Domestic volumes largely supported by <350cc engine line-up whereas >350cc grew by 5% YoY (+7% FY26).

- **CVs:** Domestic volume of top 4 OEMs grew by ~13% YoY (+12.5% FY26). **Tata Motors** volume rose by ~18% YoY (11.6% YTD) supported by strong performance in all the segments including Buses segment which grew by 31% YoY. **Ashok Leyland** domestic volume surged by 5.5% YoY (+12.5% FY26) driven by strong performance MHCV and LCV segments (LCV +16.8% YoY and Trucks +9.8%, whereas Bus segment saw a decline of 34.4% YoY). **M&M** grew by 11.2% YoY (+13.3% FY26), with LCVs segment grew by ~13% YoY and SML Mahindra Trucks and Buses segment grew by ~13% YoY. **VECV** delivered robust performance in trucks, while bus sales remained weak. Domestic trucks at +24.4% YoY (+20% FY26) with LMD (5-15T) growing faster by 28.6% YoY and HD (>15T) grew by 17.7%. Bus segment declined by 14% YoY.

II. DISCLAIMER

The information and opinions contained herein have been compiled or arrived at based on the information obtained in good faith from sources believed to be reliable. Such information has not been independently verified and no guaranty, representation of warranty, express or implied, is made as to its accuracy completeness or correctness.

This document is for information purposes only. This report is based on information that we consider reliable; we do not represent that it is accurate or complete and one should exercise due caution while acting on it. Description of any company(ies) or its/their securities mentioned herein are not complete and this document is not and should not be construed as an offer or solicitation of an offer to buy or sell any securities or other financial instruments. Past performance is not a guide for future performance, future returns are not guaranteed and a loss of original capital may occur. All opinions, projections and estimates constitute the judgment of the author as on the date of the report and these, plus any other information contained in the report, are subject to change without notice. Prices and availability of financial instruments are also subject to change without notice. This report is intended for distribution to institutional investors.

This report is not directed to or intended for display, downloading, printing, reproducing or for distribution to or use by, any person or entity that is a citizen or resident or located in any locality, state, country or other jurisdiction where such distribution, publication, reproduction, availability or use would be contrary to law or regulation or what would subject to SSSIL or its affiliates to any registration or licensing requirement within such jurisdiction. If this report is inadvertently sent or has reached any individual in such country, especially USA, the same may be ignored and brought to the attention of the sender. Neither this document nor any copy of it may be taken or transmitted into the United States (to U.S. persons), Canada, or Japan or distributed, directly or indirectly, in the United States or Canada or distributed or redistributed in Japan or to any resident thereof. Any unauthorized use, duplication,

redistribution or disclosure of this report including, but not limited to, redistribution by electronic mail, posting of the report on a website or page, and/or providing to a third party a link, is prohibited by law and will result in prosecution. The information contained in the report is intended solely for the recipient and may not be further distributed by the recipient to any third party.

SSSIL generally prohibits its analysts, persons reporting to analysts, and members of their households from maintaining a financial interest in the securities or derivatives of any companies that the analysts cover. Additionally, SSSIL generally prohibits its analysts and persons reporting to analysts from serving as an officer, director, or advisory board member of any companies that they cover. Our salespeople, traders, and other professionals or affiliates may provide oral or written market commentary or trading strategies to our clients that reflect opinions that are contrary to the opinions expressed herein. Our proprietary trading and investing businesses may make investment decisions that are inconsistent with the recommendations expressed herein. The views expressed in this research report reflect the personal views of the analyst(s) about the subject securities or issues and no part of the compensation of the research analyst(s) was, is, or will be directly or indirectly related to the specific recommendations and views expressed by research analyst(s) in this report. The compensation of the analyst who prepared this document is determined exclusively by SSSIL; however, compensation may relate to the revenues of the Systematix Group as a whole, of which investment banking, sales and trading are a part. Research analysts and sales persons of SSSIL may provide important inputs to its affiliated company(ies).

Foreign currencies denominated securities, wherever mentioned, are subject to exchange rate fluctuations which could have an adverse effect on their value or price or the income derived from them. In addition, investors in securities such as ADRs, the values of which are influenced by foreign currencies, effectively assume currency risk. SSSIL, its directors, analysts or employees do not take any responsibility, financial or otherwise, of the losses or the damages sustained due to the investments made or any action taken on the basis of this report including but not restricted to fluctuation in the prices of shares and bonds, changes in the currency rates, diminution in the NAVs, reduction in the dividend or income, etc.

SSSIL and its affiliates, officers, directors, and employees subject to the information given in the disclosures may: (a) from time to time, have long or short positions in, and buy or sell, the securities thereof, of company (ies) mentioned herein or (b) be engaged in any other transaction involving such securities and earn brokerage or other compensation (financial interest) or act as a market maker in the financial instruments of the company (ies) discussed herein or act as advisor or lender / borrower to such company (ies) or have other potential material conflict of interest with respect to any recommendation and related information and opinions. The views expressed are those of the analyst and the company may or may not subscribe to the views expressed therein.

SSSIL, its affiliates and any third party involved in, or related to, computing or compiling the information hereby expressly disclaim all warranties of originality, accuracy, completeness, merchantability or fitness for a particular purpose with respect to any of this information. Without limiting any of the foregoing, in no event shall SSSIL, any of its affiliates or any third party involved in, or related to, computing or compiling the information have any liability for any damages of any kind. The company accepts no liability whatsoever for the actions of third parties. The report may provide the addresses of, or contain hyperlinks to, websites. Except to the extent to which the report refers to website material of the company, the company has not reviewed the linked site. Accessing such website or following such link through the report or the website of the company shall be at your own risk and the company shall have no liability arising out of, or in connection with, any such referenced website.

SSSIL will not be liable for any delay or any other interruption which may occur in presenting the data due to any technical glitch to present the data. In no event shall SSSIL be liable for any damages, including without limitation, direct or indirect, special, incidental, or consequential damages, losses or expenses arising in connection with the data presented by SSSIL through this presentation.

SSSIL or any of its other group companies or associates will not be responsible for any decisions taken on the basis of this report. Investors are advised to consult their investment and tax consultants before taking any investment decisions based on this report.

Registration granted by SEBI to SSSIL and certification from NISM to the analyst in no way guarantee performance of SSSIL or to provide any assurance of returns to investors.
